

The Villas at the Grove Painting and Architectural Changes

Members desiring to paint, materially alter the architectural design of home structure, drive or sidewalks or make major landscaping changes, must submit plans for approval to the Architectural Committee. References: Covenants for The Villas at the Grove, Article IV, Architectural Control and By-Laws Of The Villas at the Grove Homeowners Association, Article XIII, Architectural Standards Within 14 days of request date

Address _____ Date _____

Home Owner's Name _____

Phone # _____ Email _____

If painting the exterior, list brand of paint, paint color and paint color numbers. Identify primary house color, secondary color and where color is to be located and trim color. Paint a sample on the side or front of house (all colors) where the architectural committee may view before approval. Include any helpful web links in the description

Fencing, patio, decking, awning, sidewalk, driveway and major landscaping changes need to have plans submitted. Once approval is obtained from the Architectural Committee, remember to obtain any building permits needed through Douglas County. Include measurements in plans, and types/color of building materials and helpful web links in the description.

Planned start date: _____

Description of Change:
